PROFESSIONAL SUMMARY

Motivated BS Computer Science (6th semester) student with hands-on experience as a Data Analyst Intern at Chacha Tax. Skilled in SQL, Microsoft Excel, Power BI, data cleaning, data transformation, dashboard development, and business reporting. Experienced in extracting data from databases, analyzing business data, and building interactive dashboards that support data-driven decision-making. Additionally experienced in SEO and digital marketing, with strong analytical and problem-solving abilities.

EXPERIENCE

Data Analyst Intern | *Chacha Tax* 29 June 2026 – Present

- ▶ Extract data from SQL databases using SQL queries.
- ▶ Clean, validate, and transform raw datasets for analysis.
- ▶ Identify and remove duplicate, missing, and inconsistent data.
- ▶ Analyze tax-related business data to discover trends and insights.
- ▶ Develop interactive Power BI dashboards and reports.
- ▶ Create KPI dashboards for business performance monitoring.
- ▶ Prepare daily, weekly, and monthly reports.
- ▶ Perform data validation and quality checks.
- ▶ Present insights through charts, tables, and visualizations.
- ▶ Support management with data-driven decision-making.

SEO Intern | *Search Engine Empire*

- ▶ Conducted keyword research and competitor analysis.
- ▶ Optimized on-page SEO including meta titles, descriptions, headings, image ALT tags, and URLs.
- ▶ Assisted with link building and guest posting.
- ▶ Monitored website performance using Google Analytics and Google Search Console.
- ▶ Managed XML sitemaps and robots.txt.

Digital Marketing Intern | *Pakistan International Airlines (PIA)* Jun – Aug 2025

- ▶ Assisted in website management and digital marketing activities.
- ▶ Supported content updates and campaign management.
- ▶ Monitored website performance and generated reports.

PROJECTS

Chacha Tax Business Dashboard | *Power BI, SQL*

- ▶ Extracted data from SQL databases; cleaned and transformed raw datasets.
- ▶ Built interactive Power BI dashboards and KPI reports for business performance.
- ▶ Analyzed business data to generate actionable insights, presented via charts and visual reports.

Chacha Dutch – Trip Expense Sharing App |

- ▶ Developed an application to simplify trip expense management for groups.
- ▶ Automatically calculates each person's share and generates a final settlement summary.

Hospital Appointment & Checkup App | *Figma (UI/UX Prototype)*

- ▶ Designed a doctor appointment mobile app prototype with user flows and wireframes.
- ▶ Focused on clean navigation and user-friendly experience.

Aetsaam Super Store | *HTML, CSS, JavaScript*

- ▶ Developed a responsive e-commerce site with product listings and shopping cart functionality.

- ▶ Applied SEO-friendly, semantic HTML structure throughout the build.
